Expectations

- ✓ **Use of Class Time:** Students are expected to show up to every class ready to work. Effective use of class time is important in order to keep up as well as to utilize the help of myself and classmates.
- ✓ **Attendance:** Whenever possible students should inform me in advance of an upcoming absence so that we can arrange a time to meet and make a plan in order for the student to stay on top of their work. With exception of an illness documented by the office, students will be expected to catch up on their own time. Students will also be expected to get any notes missed during an absence from a classmate. Students who leave the classroom before being dismissed without previous arrangements with me will be marked as absent.
- ✓ **Late:** Students who are late are expected to come in quietly and find their seat without disrupting the class. If a student is late on a test or quiz day they will not be given extra time. Habitual tardiness will be addressed on an individual basis.
- ✓ **Missing Test or Quiz:** Students who were not present for a test or quiz must arrange a time with me to write a different version of the test or quiz.
- ✓ **Homework:** Students will generally have time to complete the majority of their work in the classroom. But any work not finished in class will be expected to be finished at home. Classroom work will be checked for completion and some assignments will be handed in for marks. Work will not be accepted after a unit is finished.
- ✓ **Technology:** Technology can be a great tool for learning but when it becomes a distraction, it negatively impacts students. Any technology that becomes a distraction is generally placed on the whiteboard easel for the reminder of the class.
- ✓ **Extra Help:** Extra help is always available for students who require more help. Come see me to arrange a time that works for both of us.

Respect yourself, your classmates, teachers, the classroom and materials.
